

Subscription License Policy and Fees

License Policy

AutoMATE is a Subscription-Based Food Facility Design Software Program designed for use by Foodservice Consultants, Foodservice Equipment Dealers, Food Facility Designers, Architects, and others. The Term of a Subscription License is one (1) year, commencing ten (10) days after shipment of Program from AutoMATE Systems, Neptune Beach, Florida, and renewing for consecutive one (1) year periods of time as provided under the Terms of Agreement.

Subscriber shall be entitled to all Updates, Upgrades, New Versions, and Program Fixes published during the Term of the Subscription. Subscriber shall be entitled to Support of the Program during the Subscription Term, such Support being available between the hours 9:00 am and 5:00 PM Eastern Standard Time, Monday through Friday. Said Support services shall consist of consultation and advice concerning the use of the Program and correction of defects but shall not include services normally considered to be Instructional or Training Services.

The AutoMATE Software may be installed on multiple Computers owned or leased by the Subscriber and located on the Subscriber's premises so long as only one Computer per Subscription License is in use at one time.

Each Subscription License shall be accompanied by a Hardware Security Device which must be attached to the Subscriber's Computer to enable the Program to function. Important: The Hardware Security Device shall remain the property of AutoMATE Systems and shall be promptly returned to AutoMATE Systems upon expiration or cancellation of the Subscription.

Fee Schedule - Effective March 1, 2010

One Year Subscription License	\$1,440.00 each
